While fireworks are not fully restricted in the City Limits of Spanish Fork, city law prohibits the use of fireworks anywhere near the mountainside or within 200 ft. of any vacant field or lot. The use of this map should be for reference only. Residents should use common sense while lighting fireworks, staying clear of any weeds, fields, dry grasses, or other flammable areas. While the law requires a 200 ft. buffer, residents should consider greater distances depending on their fireworks. See Municipal Code 9.40.010 (Link at top of page)
